LEARNING LIFE

...are the members of this teen-age jury helping Hondo Chief of Police Jerry Williamson, left, study traffic violations committed by their peers. Jury members are left to right: Paul Dominguez, freshman; Terry Mechler, junior; Lonnie Knowles, president and senior; Ted Mendoza, sophomore; and Becky Seifert, senior. (Photo by Tony Mendoza)

Chief Williamson has only praise for these students. "They do an outstanding job of studying all facets of a violation," he said. "And I have never seen a group more fair in their recommendations--they call it like it is."

The group meets in the City Municipal Building and each meeting attracts a good attendance of teen-agers, and not all of them traffic violators. "Since we began this experiment," the chief said, "our violations among teen-age drivers have decreased and we hope their efforts have been a cause for this."

The students say the experiment has shown them many things they did not know about the complexities of law enforcement.

BRIG. GEN. CLARENCE WILSON

... Commanding Officer of the 36th Infantry Brigade certainly has a vote of thanks coming from all Museum Celebration Day planners. In fact, he saved the day.

Early this year when we checked with Sgt. Bill Green at the National Guard Armory to see about using the building again, he told us their drill period would be May 13 and all plans were made accordingly.

But circumstances and minds changed and Bill called us last week to say a change had been made and drills were scheduled for May 6 in the building.

Naturally, this threw a scare in all of us,

Ready to eat smoke

Friday night's fire in the Wood & Wood Insurance building could have turned into a whining-ding, but for the efforts of the Hondo Volunteer Fire Department. The alarm turned out to be more smoke than blaze and these men prepare to eat smoke. At left Harry Mueller helps Police Chief Jerry Williamson strap on his equipment while Hilmer Mueller, center, and Elton Lutz, back to camera, help John Sillman don his outfit. Jo Wood said the fire caused extensive damage to much of the building and its contents. The fire apparently started from a faulty wiring plug. (Photo by Ted Mendoza)

Absentee voting deadline near

When compared to other years, absentee voting in the 1972 Hondo City Council election and the Hondo Independent School District Board of Trustee elections might be considered high.

As of Wednesday noon, some 25 voters had cast absentee votes in the city election and 19 had voted in the school races.

Tuesday, March 28 is the deadline for personally casting an absentee vote in both elections. "And with the elections falling on the Easter weekend, it would seem there would be many absentee ballots," said one official.

The school superintendent's office is open from 8 a.m. to 4 p.m. and absentee voting may be accomplished there until 4 p.m. Tuesday, March 28.

In the city elections absentee ballots may be cast at the City Hall, which is open from 8 a.m. to 5 p.m.

Mail applications may be obtained no later than Tuesday and must be back in the office by voting day April 1.

'Messiah' planned

A simplified version of the Easter portion of Handel's Messiah will be presented Sunday, March 26 by a group of 40 voices combining members from the Baptist, Catholic, Lutheran, and Methodist churches of Hondo, New Fountain, and Quilb. The special program is scheduled for 7:30 p.m. on that date at the St. Paul Lutheran Church. Under the direction of Mrs. Eileen Brucks, the combined

choir will feature Mrs. Glenn Dittmar, organist; four soloists - Mrs. Gale Long, Soprano; Mrs. Wilbur Lindeburg, Alto; Gale Long, Tenor; and Albert Rowlett, Bass.

This Palm Sunday performance will benefit the Medina County Association of Exceptional Children with a free will offering.

An invitation is cordially extended to you to attend this memorable presentation.

Mayor Brucks says

Housing Authority will be appointed

Mayor George L. Brucks announced Tuesday night at the AACOG Committee meeting that at the next City

Council meeting he will appoint a five-member housing authority and charge the members to "begin working

on getting a low rent housing program in Hondo."

He said he also has in mind the naming of a com-

mittee to "look into the possibility of a neighborhood development program which can accomplish the rehabilitation projects needed so badly in Hondo."

Brucks' announcement came at the end of the a three hour meeting during which representatives of the Farmers Home Administration and Housing and Urban Development discussed the different programs available.

The group also saw a film on how a FHA housing program was accomplished in Tulsa, Texas and what it meant to the people who moved from sub-standard housing into good homes.

It was also brought out that there can be a county housing authority which can work for the non-incorporated areas such as D'Hanis, LaCoste, Yancey, etc. Such an authority would have to be named by the Commissioners Court.

Industrial Week plans progress

With the deadline for the Industrial Week essay contest coming up Friday, March 24, the plans to observe this special week in Hondo are fast coming into focus.

Students in high school and McDowell Middle School are putting the finishing touches on their essays in hopes they will win the prizes being offered by the Hondo Chamber of Commerce.

Winners will be announced at the assemblies planned at the two schools on the morning of April 4.

Other actions carrying out plans for this event, designed to say "thanks" to our existing industry and show the need for additional industry, include: placing of posters in windows throughout the city; placing small folding posters in restaurants around the city; and coordinating plans for displays to be exhibited by local industries.

These displays will be in the west side of the Bluebonnet Cleaners and will be open to the public April 4 through April 8. Hours will be 9 a.m. until 6 p.m. except on Thursday when the exhibit will be open until 9 p.m.

In addition, the Anvil Herald will dedicate the March 30 issue to Texas Industrial Week and it will contain advertisements from industries and businesses in the area.

young band students who "came through with the winning sound."

Come to think of it, mortals who have no children in either band should avoid the

escalator to Cloud 9 altogether--for they just might get trampled by the horde of doting parents trying to reach their children for "just one more prideful hug."

Sweepstakes smiles

You bet these three are smiling--and so are the other 100 or so members of the Hondo Owl Band. And they should be, for they won the Sweepstakes Award for the second consecutive year. They turned the trick Saturday in Fredericksburg when they took one ratings in both concert and sight-reading. Last fall they began the cycle by taking a one in marching. Smilers with their trophy are Lacy Gilliam, drum major; Yvonne Saathoff, band president; and Billy Harrell, band director.

Proud McDowell's

First chair players from the larger sections display the Special Award plaque the McDowell Junior High Band received after getting a first in concert and a first in sight-reading for the third consecutive year. Proud representatives of the entire band are, left to right: Front--Terri Young, cornet; Kay Martin, flute; Back--Gary Haass, percussion; Ivan Muennig, trombone; Diane Hartman, clarinet; Diane Mumme, saxophone.

KELLY AFB--All interested persons, age 17 to 26, who can successfully pass a military physical may want to enlist in the Alamo Wing of the Air Force Reserve and serve a minimum of four months of full-time active

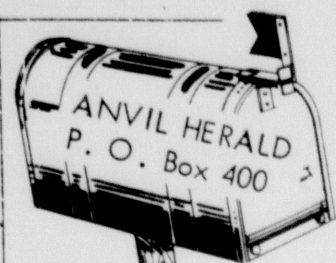

duty and then train one week end per month and two weeks during the summer to satisfy their military obligation.

This permits the Reservist to remain in his hometown and continue his civilian job or education with a minimum

of interruption.

Those interested are invited to call MSGT Werner Holt, AC 512-926-7896, or to visit him at the 433rd Tactical Airlift Wing, Building 909, Kelly Air Force Base, San Antonio.

Dear Mr. Lawrence:

I wanted to express my appreciation for the excellent coverage given by your paper through the announcement of my candidacy for State Representative, District 45. I shall be making a "Statement of Platform" in the near future and, hopefully, will be able to hand deliver the same to you which would afford me the opportunity of meeting you personally.

I read with considerable interest the editorial comments made by your "Sparks" column. It would appear that you have been receiving some flak from some of the citizenry for reporting all of the news in an unbiased manner. Let me commend you for the obvious inference in your column that you intend to continue to do so and refute efforts of pressure groups to influence you otherwise. A continuation of a "press" is most certainly the cornerstone of the foundation on which "freedom of the press" is based. Without the first, the latter would never survive.

I shall look forward to visiting with you in the near future and exchanging views on various issues.

Yours very truly,
Jerry R. Houser

Dear Editor,

The community of Hondo has just experienced the loss of a quiet but powerful moral force. To all who knew and loved Nelson Bippert the magnitude of this statement can only be borne with the passage of time.

Nelson loved the people of Hondo and was especially close to his students. Years from now these very same students reflecting on their lives will remember on Nelson not simply as a coach and teacher at Hondo High but as

a genuine man filled with the spirit of Christ. A man who lived what he professed. Nelson taught all of us that the important thing in life is HOW YOU PLAY THE GAME, not whether you win or lose. Hondo will indeed miss their coach but all of us will experience the loss of the QUIET GIANT.

Sincerely,
Rev. Robert Silverman
Associate Pastor

Now is the time for all good Democrats to come to the aid of their party!

Since it has not been possible to finance holding of the Democratic primary by the old method of assessing the candidates, no other way has been decided upon.

Therefore, I suggest that to keep faith with the Democratic Party, let us all come forward and let our Democratic Party County Chairman know that we are faithful party members and will volunteer our services, in any way we are capable or able, to assist in holding the Democratic Primaries in Medina County on May 6, 1972.

Although Howard Wallace of Devine has a payless and thankless job, he has faithfully carried out his duties as county chairman.

Yours truly,
Oswald Sauer
LaCoste

Dear Sir:

I would like to express my sincere thanks and appreciation to Constable Alvin Santleben of LaCoste, for the cooperation he gave me when I asked for his assistance in helping me find one of the foster children I take care of.

This child left the school grounds of Natalia Elementary sometime after lunch, after being punished for misbehaving. She took it upon herself to run away. When the child did not come home on the school bus, and the other children told me she had not been seen, I called Constable Santleben for his assistance.

He came immediately and

showed a great interest in helping me find the child. He called Constable Robbi of Devine who helped with the search.

What I most appreciated was the fact that although we live out of Mr. Santleben's jurisdiction, he took it upon himself to check out the route from Natalia to San Antonio, believing that in anger the child would probably head in that direction. He found her just before dark near the construction site on the other side of Von Ormy near the 410 intersection.

The 11-year old girl was scared and confused not knowing what she was going to do since she had no place to go and could not get back to my home before dark.

No telling what might become of her if she had not been found.

It's a wonderful feeling to know that there are still law enforcing officers that take interest in such cases.

Constable Santleben merits my appreciation as well as that of the Bexar County Welfare Unit which is in charge of the welfare of these children.

Yours truly
Mrs. Angel E.

Dear Sir,

The Hondo Chamber of Commerce plans to observe Texas Industrial Week from April 3 to 8. Part of our plan is to have a display of exhibits from each one of Hondo's industries and the display will be held in the vacant side of the new Blue Bonnet Cleaners building, across from the post office.

The purpose of the weeks observance is to reacquaint the public with the importance of the industry located in our community.

To help in this project, we are asking you to provide an exhibit pertaining to your particular operation. Anything that you can put together that will advertise your product or generally promote your industry will be satisfactory. Use your imagination to the greatest extent. Space may be a problem so give it some consideration and you will have to provide everything for your display. Your exhibit can be installed in the building on Monday April 3 and removed

One of the pressing problems of our times is drug abuse. I have long felt that "hard drugs" were undermining our national strength, and one of my concerns about the Vietnam War has been that so many young men, unhappy and bored with their roles there, have turned to drugs. My inquiries have shown that most of the dangerous drug supply comes from abroad, so I was particularly interested last week with an appearance of William P. Rogers, our Secretary of State, before those of us who are

members of the House Foreign Affairs Committee.

I felt it significant that Secretary Rogers, in explaining the President's authorization requests, placed funds for narcotics control second only to security assistance.

INTERNATIONAL NEGOTIATIONS

Secretary Rogers reported that the opium-heroin traffic is so worldwide that we now have negotiations with 18 countries to control production, processing or shipment of these hard drugs, and that in the coming year he expects to

open negotiations with 40 more nations.

Our country is being asked to authorize \$42.5 million for training and equipment of narcotics control police, rehabilitation of victims, and crop substitutions in those nations where established agricultural practices have relied on the plants that produce the drugs.

I am seeking information on whether we are enlisting the help of China, historically a center of the opium trade, to clamp down one major source of drugs imported into the United States by devious routes.

not approved release of the extra money. In fact, he is withholding \$58 million of the sum approved last year, thus checking projects needed to make communities acceptable to their residents.

Another arm of the Department of Agriculture, the Soil Conservation Service, received a vote of confidence from the Congress when budget increases were voted last year, but the President's new budget would cut \$11 million from conservation operations and \$11 million more from watershed and flood prevention programs. I doubt that these cuts should be approved.

Important funds for our cities are being held back, too. There are, for example, \$942 million for low-rent public housing, almost \$6 billion in highway funds, and \$31 million in education aids. These appropriations have been voted by the Congress but withheld by the President.

WE IN THE CONGRESS can express our wishes on where money ought to be spent, but the separation of powers keeps us from making the President use appropriations which we vote. I believe that it is my responsibility to represent my constituents as best I can, and I shall continue to make that effort.

I was pleased that we of the Texas delegation were able to persuade the House to approve a north-south rail passenger service routed from Laredo and San Antonio. Actually, the new line would go clear to Montreal, Canada. When government funds were voted to establish a corporation to run passenger trains, the Secretary of Transportation was given authority to pick the routes. His selections concentrated on east-west passenger service. Now we in the House have said we believe that there should be a north-south line, crossing the east-west routes. Approval of the Senate and the President, as well as appropriation legislation, still remains to be obtained, but I hope we are on our way to rail passenger service again.

Fighters on low flights

Fighter pilots of the San Antonio Air National Guard are continuing high-speed, low-level navigation training. Lieutenant Colonel Charles A. Beasley, control officer for the training, says that low-level proficiency is a high priority of the "Alamo Eagles."

The unit's F-100 fighters fly two routes. One is to the west of San Antonio, going generally from Devine to Medina Lake to Fredericksburg to Brackettville to Kelly Air Force Base. The other runs south from Kelly to Lake Corpus Christi, then west to

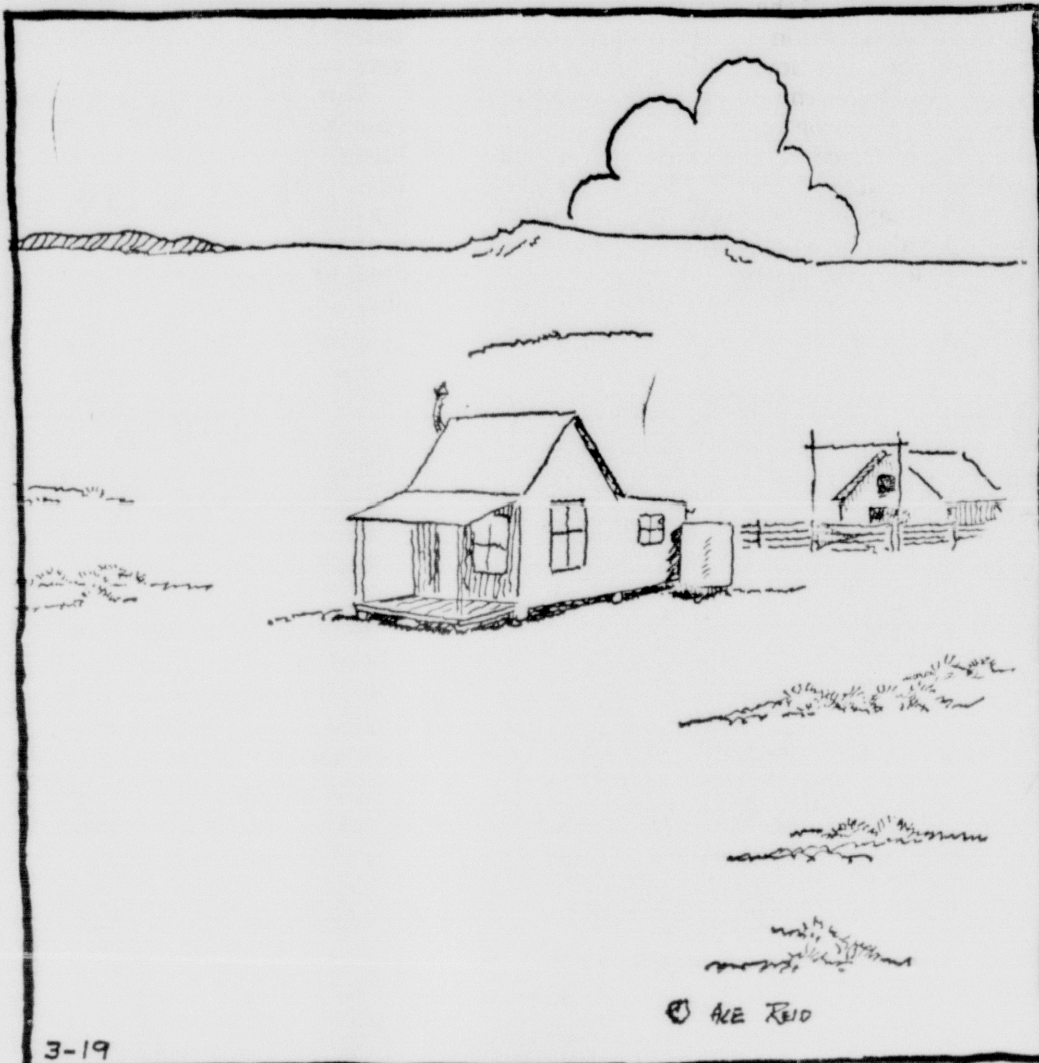

the La Salle-McMullen County line.

Colonel Beasley, who has flown more than 4,000 hours over South Texas, selected the routes to avoid populated areas, but he cautions other pilots to be aware of the routes, and to remember that the fighters travel in groups of two or four.

Further information about this Air National Guard mission may be obtained by contacting Colonel Beasley at the 182nd Tactical Fighter Squadron, Texas Air National Guard, Kelly Air Force Base, Texas 78241.

Referendum to seek help in control of predators

SAN ANGELO--A referendum to be held later this month by sheep and goat raisers in a 73-county area of Texas to help provide a more effective predator control program in the state in generating as much public interest as the Texas political campaigns.

Special interest in the referendum started developing three weeks ago when President Nixon issued an Executive order on Feb. 8 which prohibits the use of poisons on federal lands and by federal agencies for the purpose of controlling predators.

"It's now absolutely essential that we have additional trained predator control personnel in the sheep and

goat producing areas of Texas," says Bill Sims, executive secretary of the Texas Sheep and Goat Raisers' Association, sponsors of the referendum.

Sims said more trappers are necessary, especially since the few trappers now working can no longer use poisons. Sims said he had been advised by Milton Carline, state supervisor of the U. S. Division of Wildlife Services at San Antonio, that all poison baits are being removed from Texas ranches in compliance with the presidential order. Deadline for removing poison baits is March 9, weather permitting.

Sims said the basic proposal in the referendum is to establish a method of financing the cost of adding some

32 or more trappers to the existing force now working on predator control in Texas. The referendum is to be conducted by mail ballot and to be valid, ballots must be postmarked no later than midnight March 28. Permission for holding the referendum was granted by the Texas Department of Agriculture at the conclusion of a public hearing held Jan. 7 in Austin, 32 days before the President issued his executive order.

but we shouldn't have worried. We talked to Gen. Wilson, who lives in Luling, and he graciously helped get the drill changed back to May 13.

So as General Chairman of Museum Celebration Day, I say on behalf of all those who have worked and planned, "Thanks, General Wilson, you proved again that the Army can come through and 'save the day' anytime an emergency arises."

WHILE WE ARE ON

. . . Museum Celebration Day let's give the planned schedule once again. The Antique and Collectors Auction will begin at 1 p.m. at the Museum; and all festivities will begin at the Armory at 4 p.m. Bill Harrell and his "Sweepstakes" Owl Band will again open the festive occasion with a concert and then all the action will unfurl to what we hope is the tune of plenty of money to help operate the Museum.

Don't forget, now, that Museum Celebration Day takes place on Saturday, May 6--the same day of the Democratic and Republican Primaries. So vote and then come out and play.

WE HAVE NO WORRY

I say "Thank you, Kevin and PUB members." I only wish some of the adults who owe us would be as thoughtful and concerned as you young people, instead of riding us for months and months.

School Finance Ruling Offers Great Opportunity

THE COURT has ruled. The financing of Texas public schools is unconstitutional. The financing—not the ad valorem property tax itself.

The case is being appealed, but that December 23, 1971 ruling by the federal court at San Antonio in the Edgewood case (see pages 19-23) shocked not only Texans, but the nation as well. The California case last fall (Serrano v. Priest) was a forerunner, but it is still in a state court and has not had a final ruling there.

But this is no time for dismay. As State Educ. Comr. J. W. Edgar pointed out, Texans have faced these crises before and always emerged stronger. We do not envision the public or the Legislature allowing Texas public schools to flounder.

This demand for change offers more opportunity than it does problems. The financing of public schools has needed revision, but opposing philosophies have stalled it previously. Many improvements have been made in the Minimum Foundation Program since its creation in 1949, but it needs complete reexamination now. Only a major change in financing could offer the potential for revamping and modernizing the program.

We need, for instance, to get away from a "mini-mum" program and establish a "basic" program. And although financing probably will be restructured, the ad valorem property tax probably will remain as a major contributor.

This court ruling has placed public education in the spotlight. It has awakened citizens and legis-

lators and the education profession alike to the fact that things cannot be taken for granted.

Two major things are involved: (1) To come up with a program that will offer every child educational opportunities to which he is entitled, regardless of wealth within the district where he receives his education.

(2) To come up with a restructured finance program, with the state assuming the major share of costs. But this is to include the local district still participating through the ad valorem tax and the opportunity for the local board to determine priorities, offer innovative programs, and continue to provide a curriculum that fits the needs of its community.

TSTA can play an important role. Fortunately, the Executive Committee on November 3 gave TSTA Pres. Archie Roberts authority to appoint an 11-member special committee to study school finance (December 1971 *Texas Outlook*). The panel held its first meeting January 4, and its agenda was ready-made.

This major revision in school program and financing will concentrate in the halls of the Legislature many of the decisions which have hitherto been made locally. This shift in the decision-making scene will demand an even stronger state-level umbrella professional association to meet these increased responsibilities and to fulfill the needs of children, teachers, and other Texas citizens.

Ney returns from Congo

Charles Ney has returned from Kinshasa, the capital of the Democratic Republic of the Congo, where he taught English to Congolese military personnel for six months. Before returning home, Ney spent a week visiting Albert National Park in the eastern part of the Congo, and Queen

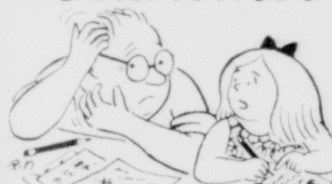

Elizabeth National Park in neighboring Uganda. Both parks, he said, are inhabited by a many species of African wildlife. A highlight of the trip was a visit to a pygmy village in the forest of the eastern Congo. Ney has returned to his work with the Defense Language Institute at Lackland Air Force Base.

Congratulations!

Michael A. Mendoza, son of Mr. and Mrs. Tony Mendoza of 1313 22nd Street in Hondo, receives congratulations for being the newest member present at the Camp 154 Woodmen of the World Life Insurance Society family outing Tuesday night. John Dimmitt, State Manager, does the honors for Mike, who has been a member since March 1, 1972.

Shower honors recent bride

The former Miss Joyce Tumlinson Sapp, now Mrs. Dwight Andreas, was the honoree at a miscellaneous shower tea at Quilf Lutheran Parish Hall.

In the receiving line with the honoree, were Mrs. Arnold Lindeburg, Mrs. L. L. Sapp, Mrs. Fay Sapp, Mrs. Andreas and Miss Annie Geiger.

Mrs. Vivian Jones, Aunt of the honoree, presided at the bride's book in which about 40 guests registered.

Misses Alice Halty and

Lavonne Andreas served cake, punch and coffee from a table centered by miniature yellow roses, flanked by yellow candles.

A set of Coming Ware was the gift of the hostesses: Mesdames Elmer Saathoff, Clarence Bohlen, Leota Hartman, Rolf Saathoff, Alfred Saathoff, Alfred Walch, and Melvin Dittmar.

Also, Mrs. William Grell, Lewis Boehle, Milton Poehler, John Henry Boehle, Arnold Lindeburg and Miss Alice Halty.

MCAEC offers scholarships

The board of directors of Medina County Association for Exceptional Children is now accepting applications for the second annual scholarship presentation.

This scholarship is presented to a special education teacher, or a person who plans to teach special education, in Medina County. The \$200 scholarship was established to help teachers of special education remain in the field, or to encourage future teachers.

For details, anyone interested in applying should contact Mrs. Carolyn Williamson, MCAEC president. Presentation of scholarships will be made at the May meeting of MCAEC, so applications

should be received as soon as possible or, before the end of April.

That's all she wrote

by Edna McLade

It's hog-fattening time in Hondo again. Six pure Clay-breed piggy banks are waiting to be fed, intra-spineously through the slot in their broad backs which is their identifying birthmark; and they subsist entirely on a diet of U. S. coins, any size from pennies to silver dollars.

Silver dollars are so scarce they may be considered a dessert course. Greenbacks, now, (any denomination) are vitamins and you know how vital they are to a well-nourished pig.

The banks have become a traditional feature of our annual Museum Day - with the third one coming up in just half a dozen Saturdays from this weekend. That's May 6, 1972.

Fatter the pigs are, the more dividends they'll pay the lucky bidders when they are auctioned at the Purple Petticoat auctioning-off place.

When you see EENIE, MEENIE, MINIE and MO and the other calorie-coveting cuties at their cafeteria stations, please feed them regularly and generously. You'll find them at HONDO NATIONAL BANK, LEINWEBER'S, DAN'S FLY DRUG and THE REXALL STORE. See the makeup job on the Bank Beauty.

On Saturdays, some Hondo teen-lovelies will be on sidewalk duty at the stations named, pleading prettily for cash vittles for the piggies.

KEVIN, son of SYLVAN and CHERYLL (Bennett) BIEDIGER of LaCoste will be two in May. His Daddy is an accountant and maybe that accounts for Kevin's way of figuring things out.

When I met him at the post office, he was busily identifying pencilled pictures which his mother had sketched for his entertainment.

Without error he showed them to me: A cat, a turtle, a fork, a spoon (no, two spoons) and a knife...etc. A happy, well-adjusted little boy.

M. L. (Micky) MECHIER, gave me this definition of a county treasurer which he found in a little magazine devoted to the interests of such public officials. Here it is for addition to your information:

"There isn't any glamour or excitement attached to a treasurer's job... unless you are crooked, then the excitement is like that of a tripped mine. Loud and disastrous and over quick! A good treasurer can grind no axes for anyone. He can either do a good job for ALL the people or a lousy one."

It says here that Medina County has a GOOD treasurer --and this isn't even election year for Micky.

If you missed the science department's exhibits at McDowell during Public School Week, you might have missed seeing what our 8th graders can do en route to becoming future scientists.

I saw (with appreciative awe) eruptive volcanoes; meandering rivers; rockets; water cycles; geological time tables; layers of the atmosphere (Tropo-Strato-Iono included); seismographs; a genuine handmade Brontosaurus (TRENT DELONY'S work); the plumbing system of geysers; evolution of vertebrates; and the evolution of the skulls of man with progress measured in periods of from 500,000 to 2 million years.

Nary a woman's skull in the lot. What woman would admit to those years?

INEZ (Mrs. Oswald) NIRA was hiding behind dark glasses and I almost didn't recognize her when I saw her in her car reading the ANVIL HERALD with her sons, JOHN, RICHARD and JAMES.

"Reading the funnies?" I asked. "No," I laughed Inez. "We were looking at the grocery ads and EVERYTHING sounds tempting when it's almost time for supper."

Was it Don Quixote who said, "There's no sauce in the world like appetite?"

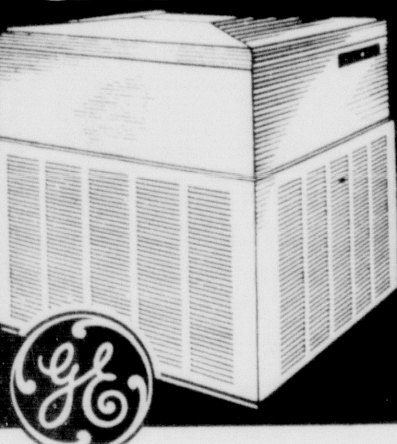

That's what keeps grocers in business!

HONDO OWLS can stand by for some star players in the next decade or so. I met the three Brothers ROMMEL, sons of KEN and CAROLYN. (Ken is the Frito distributor here)

JOHN, 9, a 4th grader, hopes to become a doctor some day. En route to that profession he plans to be a football back. MIKE, 8, a 3rd grader, aims to be a tight end. JEFF, 6-year old pre-schooler, will settle for being a wide receiver on the squad and then he'll sell Fritos, just like Daddy.

Hondo Garden Club Members will leave tomorrow, Friday March 24, at 10 a.m. for the day's Wildflower Pilgrimage around the Seguin area. Lunch will be served at the Lutheran College. Johnny Brawner, horticulturist of Seguin, will be club host and will conduct the group on a tour around Lake McQueeney.

Winners, all!

Those pretty white certificates held by these youngsters signify awards won for their free-hand Smokey Bear coloring contest entries. Winners include (in no special order): Chris and Douglas Cole, Nancy Martin, David Geuea, Lori Ann Dittmar, Will Weber, Jeffery Allen Solomon,

Kim Saathoff, Ruben Alvarado, Sherri Grell, Rudy Cuellar, Tomasa Valles and Kean Krenmueller. First and second place posters created by the Mayer Elementary and McDowell students were submitted to state competition.

Miss Dottie Woolls

Miss Dottie Woolls, daughter of Mr. and Mrs. Newell E. Woolls, was recently elected recording secretary for Area VII Future Homemakers of America. She will represent the Area VII at the State FHA Convention in Fort Worth, April 21-22.

Garden Club Children are winners

The Hondo Garden Club received the following awards when District VII met for their spring convention in Alice last week:

First place, honor roll rating, Garden Club of the Year, History and Horticulture, President's report, Scrapbook, Environmental Improvement Program (Sears), reward of excellence from the Governor of District VII TGC and second place on the yearbook.

Junior Garden Club awards included (Smokey Bear contests) Nancy Martin, and David Geuea, first place freehand coloring; Douglas Cole, second.

Public school entry winners in all categories, included Lori Ann Dittmar, Will Weber, Jeffery A. Solomon, Kim Saathoff, Ruben Alvarado, Sherri Grell, Rudy Cuellar, Tomasa Valles and Jean Krenmueller.

Other children who took part in the coloring contests sponsored by the local Garden Club and the National Council of State Garden Clubs were Hayley Harrison, Delma DeLeon, Sylvia Hernandez, Debbie Saathoff, Louisa Corona, Alice Martinez, Ruben Alvarado, Jayne Lee Timberlake, Diane Alvarez, and Kay Wentz.

Reports were submitted by Mrs. George Cole, awards chairman.

Hondoans attend Garden meeting

"A Day in Holland" was the theme of the District VII Garden Club meeting held in Alice, March 16-17.

Guest speakers were J. J. Hill, director of Dallas Garden Center and Mrs. Robert H. Dooley, state president of Texas Garden Clubs Inc.

Mrs. H. B. Haegelin, district director, presided over the two-day meeting.

Others attending from Hondo were: Mrs. Bruno Schneiders, district corresponding secretary; Mrs. Mark Marshall,

HGC president; and Mmes V. H. Crow, Geo. Cole, Paul Bybee, L. E. Gross, W. L. Taylor and Robert Feden.

Mrs. Cole received special awards for applications which she had prepared for the two local Garden Clubs.

Hondo, Devine in GCAA contest

Hondo and Devine are among the Texas cities entered in the 1972 Governor's Community Achievement Award contest.

Co-sponsored by the Governor's office, the four regional Chambers of Commerce of Texas, and the Texas Agricultural Extension Service, the contest is held annually to recognize significant accomplishments of cities in beautification and community development.

Hondo is included in cities of between 5001 and 10,000 population. The other three in this category are Mathis, Pleasanton, Cuero and Sinton.

Devine will compete with Balcones Heights in the 2,501 - 5,000 group.

Judges will give special attention to ways in which the competing cities are solving

the problems of waste pollution and will be particularly interested in the use of the recycling and reclamation of household trash.

In Hondo, the Junior Garden Club members have been participating in a Recycle Our Trash (ROT) project for several months.

Various local junior groups, including Scouts, Camp Fire, and 4-H have cooperated in the year-round "Help keep our city clean" program as sponsored by the city of Hondo and Garden Club.

Awards to the six winning cities will be presented at the

annual meeting of the Beautify Texas Association on June 22 in San Antonio.

Ronald J. Mangold reports to San Diego

Navy Seaman Apprentice Ronald J. Mangold, son of Mrs. Earl L. Mangold of Castroville, graduated from recruit training at the Naval Training Center at San Diego.

A 1968 graduate of St. Louis High School, he attended At Mary's University, San Antonio. He is scheduled to report to Service School Command, San Diego.

Shirley Pena plans tour with band

BROWNWOOD--Shirley Pena, a clarinet player from Hondo, is one of 54 other Howard Payne College musicians scheduled to take a nine-day tour with the school's band April 8-12.

Pena, a two-year band student majoring in Elementary Education, will accompany HPC's 55-piece symphony band, called the "Swinging Stingers," through parts of

South Texas, the state's Valley area, the Gulf Coast region and northern Mexico.

Under the direction of Greg Berry, the band will stage 18 concerts in high schools and churches in towns ranging from Brady to Matamoros, Mexico.

According to Berry, the band already has made seven such trips through parts of Texas this year.

Cooks should get a bang out of Sunday Texas Star

Good eating gets full treatment in Sunday's TEXAS STAR.

Mary Faulk Kooek, an associate editor, starts it off with "A Galaxy of Food for Spring," which deals with such delicacies as Ham Asparagus Rolls Au Gratin and Rolled Flank Steak Potenta.

In an interview by Francis Rafferty, Helen Corbitt, the "Culinary Queen," talks about her long career as a kitchen-master who has seen Texans' taste improve over the years.

Julie Benell, Food Editor of the DALLAS NEWS and SOUTHWEST SCENE magazine, reveals her secrets for saving money at the grocery store. She says her hat is off to Texas women, who shop wisely and serve their families nutritious meals at minimal cost.

Yet another expert contributing to the STAR's food issue is Mary Kaltman, a former housekeeper at the White House, who tells how to give a bright, cheerful party and do it within your budget. The food theme extends to

the Comment column, where guest writer Dr. Roger J. Williams tells how proper nutrition is a weapon against disease. Much work has been done in this field and much remains to be done--the goal being better health for everyone.

Wanda J. Campbell digs out some pertinent information about Brownson Malsch, a STAR contributor; Wick Fowler ponders the problems of who will be elected according to which poll and the subtleties of the federal courts.

The following events, selected by the Texas Tourist Development Agency, Box 12008, Austin 78711, are but a few of the many excellent recreational activities offered by communities across the state. A more complete listing of Texas events may be obtained free from the Texas Highway Department, Travel and Information Division, Box 50647T, Austin 78703.

April 1 Easter Fires Pageant. Fredericksburg. Held at the Gillespie County fair grounds each Easter Eve, this event is perhaps the nation's most unusual Easter celebration. According to legend settlers' children were frightened by Indian fires on the hills at night. To calm the children, a pioneer mother told a charming story of the Easter Bunny making the fires for Easter-egg dye pots. For well over 100 years the Easter Fires celebration has been passed from generation to generation in this German community. Fires are lighted in the hills, and that Easter Event is reenacted.

April 2 Starving Artist Show. downtown San Antonio. Last year more than 12,000 pieces of original art were offered for sale. This year the show will be limited to 600 artists, and, as in the past, no art, craft, picture (frame included) will be displayed or sold for more than \$10.

April 6 First regular season game for the Texas Rangers. Arlington Stadium 1:30 p.m. The Rangers, formerly Washington Senators, are the state's newest major league baseball team. Kansas City will be the opening opponent.

April 10 Houston Astros open their 1972 National League home schedule in the Astrodome against San Diego. Game time 7:30 p.m.

April 14-23 The 77th Fiesta San Antonio. A fun-filled 10 days highlighted by river and street parades, "A Night in Old San Antonio" at La Villita, Mariachi Festival, German Garden Festival, Square & Round Dance Festival, flower, fashion and art shows.

April 27-May 7 The 33rd Bucanero Days, Corpus Christi. An 11-day citywide festival that includes pageantry, coronation ball, night parade, fireworks, statewide music festival and sporting events.

April 28-30 The 12th annual Brazos River Festival and Pilgrimage and the second annual Waco Cotton Palace Pageant. Waco. Historical pageant, coronation of the Cotton Queen, art festival, homes tours, tour of the Texas Ranger Headquarters, varied entertainment and exhibits.

April 30 Grotto Celebration. Frydek. Located 45 miles west of Houston (Stephen F. Austin exit off Interstate 10) Frydek can't be found in the ZIP code directory, but this little community's home grown celebration is becoming more popular each year. Started in 1949 to commemorate the safe return of all 67 of the community's men who served in World War II, the event starts with a Mass at the Grotto. After Mass its eats, drinks, Czech music, dancing and entertainment. Last year 10,000 pounds of barbecue (beef, pork, chicken and sausage at \$1.50 a plate) and over 8,000 homemade kolaches were consumed.

Coach Nelson Bippert buried in Castroville

Nelson Frederick Bippert, who died in Medina Memorial Hospital March 15, was buried in Zion Lutheran Cemetery, Castroville, on March 17th. The Rev. A. M. Hanneman, pastor of St. Paul Lutheran Church conducted services at the Hondo church, assisted by the Rev. Robert Silverman of San Antonio.

Mr. Bippert was born Sept. 17, 1937 in San Antonio, the son of the late C. C. Bippert and Mrs. Martha Wurzbach Bippert of Rio Medina, who survives him.

Also surviving are his widow, Gwynne Bippert and their two children -- a son, Monte; and a daughter, Brenda.

Other survivors are five brothers, Melvin and Thomas of San Antonio; Bill of Beeville; Clarence and Bob, both of Rio Medina; and his grandmother, Mrs. Clara Wurzbach, also of Rio Medina.

At the time of his death, Mr. Bippert had served for three years as head coach of the Hondo High School football team. He had also taught related math and physical education.

Mr. Bippert was a graduate of the University of Texas and he had lived in Pearsall, Comilla, San Antonio before coming to Hondo. He was a member of the Lutheran faith, the Lions Club, and the Texas State Teachers and Texas H. S. Coaches Associations. Active pallbearers were E. L. Barrow, Jr., Joe Studebaker, Glenn Schweers, James Bolis, Dan Keath,

William H. Green, John Friedlands and R. W. Nations. Honorary pallbearers were George Riddell, Gayle Long, Frank Holden, Larry Carroll, Harlan Wolff, John Windrow, Jackie Winkler, Fred Graff, Denny Smith, Supt. Kenneth

Floyd, Former Supt. J. G. Barry, members of the Hondo High School official board and members of the Hondo Owls Varsity Football Team. Services were under the direction of Guinn-Horger Funeral Home.

Family Night is big event for Hondo Masonic Lodge

Hondo City Lodge No. 756, A.F. and A.M., observed Family Night recently by entertaining their families with a Mexican supper in the Fellowship Hall of the Masonic Hall. Special guests invited for the occasion were the members of Hondo Chapter No. 404, Order of the Eastern Star, Hondo Assembly No. 258, Order of the Rainbow for girls and local boys of the Tri-County Chapter of

the Order of DeMolay. Supper was served to approximately 130 members and guests.

Ben Wiemers, Worshipful Master of Hondo City Lodge presided at the meeting and after welcoming the guests, all joined in singing "America". A eulogy to the Flag was given by Robert Wiemers after which all joined in pledging allegiance to the Flag. Wiemers read an arti-

cle on George Washington in observance of his birthday.

Rainbow Girls gave a drill and sang their Rainbow Song. The story of Rob Morris was presented by Mrs. Lena Mae DeMontel, and Mrs. Beth Herring in a very pleasing way. A violin solo with piano accompaniment was presented by Mrs. Irene Marshall and Mrs. Dora Mae Fessler. Mens Choir sang several familiar hymns. Oscar Hairrell of Devine and Lacy Gilliam of Hondo, representing the DeMolay Chapter presented the "Flower Talk" in a most impressive manner.

St. John's plans for Holy Week

Seahorn joins Uvalde staff

Pon Seahorn joined the Production Credit staff March 15 as fieldman. He will work out of the Uvalde office assisting in the extension of credit to ranchers and farmers in the area.

Raised on a combination ranch in south Crockett County, Seahorn is experienced with all classes of livestock found in this area. He was graduated from Ozona High School and Southwest Texas State University where he was

awarded a degree in Agribusiness. Since graduation, he has been employed in the First National Bank of Sonora. "We are especially fortunate in being able to employ a young man of such high caliber," N. B. Willey, UPC president said here today.

Seahorn is married to the former Jill Martin of Nixon. They have a son, Will, two, an infant daughter, Terel. The Seahorns are active members of the Methodist Church.

The following distinguished guests were recognized and welcomed by Ben Wiemers, Worshipful Master: Mr. A. W. Brookshire, District Deputy Grand Master, A. F. and A. M., Mrs. Lena Mae DeMontel, Worshipful Matron, Mr. Robert Wiemers, Worshipful Patron, Hondo Chapter No. 404, Order of the Eastern Star, Mr. J. Frank Delony, Chairman of Masonic Visitation Committee, Grand Chapter of Texas, O.E.S., Mrs. Mary Jane Marrs, Mother Advisor and Miss Debra Delony, Worshipful Advisor, of Hondo Rainbow Assembly No. 258, and Mr. Wendell Bearman, Chairman of the Advisory Board for Rainbow. Others included 2 Past District Deputy Grand Masters, 13 Past Worshipful Masters, 9 Past Patrons and 17 Past Matrons O.E.S., 6 Past Worthy Advisors, 3 Past Mother Advisors of Rainbow Assembly and 2 Past Chairmen of the Rainbow Advisory Board.

FFA team tops in District

In District competition at Uvalde on March 14, the Hondo FFA range and pasture judging team won first place. Team members, whose picture appears elsewhere, are Bobby Cox, Gene McAnelly, Gary Saathoff and Bobby Cox, who are now eligible for the Area VII competition to be held next month in Fredericksburg.

The Hondo team scored 582.5 points. Second and third place scores were posted by Nueces Canyon (504) and Knippa (470).

The Hondo land judging team failed to place in the first three positions. Members were Charlie Britsch, Gordy Bohmfalk, Ted Mendoza and Mitch Pope. The land team will also be entered in the Area VII contests.

FFAs take field trips

Field trips and practice judging have kept Hondo FFAs on the double. Recent-

ly, the Ag-1 boys visited the Mumme egg-packaging and cage-laying installations as preparation for poultry study and judging.

Other vo-ag classes under the direction of their teacher-advisors, John McAnelly and J. D. Schmidt, made trips to area farms for practice judging of dairies, livestock, range and pasture land.

FFA teams make practice run

Thirty Hondo FFA boys attended a practice judging contest at A&M on March 11. Their student teachers, Bob Bone and Bob Shepherd accompanied them.

The Hondo group participated in pasture-range, land, dairy, poultry and livestock judging for experience and better preparation in future competition.

CONTESTS

This Saturday, March 25, six Hondo teams will compete with teams from about

1000 Texas schools on the SWTSU campus, San Marcos.

Entry fees apply to sponsoring the competitive events, while banners will be awarded to the top three teams in each event.

High-scoring individuals in each of the three judging events will be awarded scholarships.

Competing in the forthcoming contests will be Wayne Stein, Hondo, public speaking; and Janelle Saathoff, Hondo FFA Sweetheart who enters District FFA finals.

Here in Hondo

Misses Nancy and Patsy Mumme have returned to Houston after a weekend spent in Lubbock with Bobby and Stella Mumme. They attended the Lubbock rodeo.

Bobby Mumme was in Houston for the stock show and rodeo. He was sponsored by Texas Tech Ag-ECO Department.

Best Judges

The best judges in the District FFA range and pasture competition fly the banner of Hondo High School. They proved it March 14 by winning first place in Uvalde. Team members include: Bottom left to right -- Gary Saathoff and Bobby Cox; Top -- Gene McAnelly and Glenn Sturm.

Crop demonstrations in progress

Several crop demonstrations have been established in Medina County this year.

Corn variety and corn fertility tests are being made on the Glenn Gooding farm. Van Damme Brothers also have a corn variety test plot.

Harlan Wolff planted a grain sorghum variety test on his farm in D'Hanis. A grain sorghum variety and disease test has been planted on the

Robert Burrell farm, Castroville.

Interested persons are invited to observe these test plots at any time. A herbicide test on corn is also being planned.

New pamphlets now available

Several new publications are non available at the County Extension Office. Hay Harvesting Costs in Texas, Potassium and Crop Production, Farm Feed Processing, External Parasites Attacking Swine, Beef Cattle Feedlot Facilities and Using Hybrid Vigor to Improve Production Efficiency in Beef Cattle are among new titles now available.

The local County Extension office also has the latest recommendations on insect control.

FFA plans banquet

District FFA officers met in Brackettville Wednesday afternoon to complete plans for their banquet to be held at HHS on March 28.

District officers will conduct the evening's program. Preparations are being made for an attendance of 215 members and guests. The school's cafeteria department will prepare the meal, to be served by the FFA girls.

Stanley White of Stephenville, state president of Young Farmers of Texas, will be guest speaker.

Program features will include public speaking, sweetheart and talent contests. Also, the degree of Honorary State Farmer will be conferred on Autry Been.

Hog Cholera looks better

The hog cholera situation is looking better, Bragg reports, but producers need to watch for any outbreaks. Uncooked garbage and scraps should not be fed to hogs. All sick animals should be reported to a veterinarian as soon as possible.

Medina County is presently under a limited quarantine which means that swine can be moved to any location. Once they reach their destination, they must remain at this location for a period of 30 days, according to the county agent.

Students on dean's honor list

LUBBOCK--More than 2,200 students in the College of Arts and Sciences at Texas Tech University qualified for the dean's honor list for the fall semester, according to Dean Lawrence L. Graves.

age. Texas Tech uses a 4.0 point grading system.

LUBBOCK, Texas -- More than 429 students in the College of Engineering at Texas Tech University qualified for the dean's honor list for the all semester, according to Dean John R. Bradford.

From Hondo, students on the honor list are Lee A. Schuehle, Sociology, daughter of Mr. and Mrs. Hobby Schuehle, and Annette H. Aelvoet, Liberal Arts, daughter of Mr. and Mrs. Rene Aelvoet.

To qualify for the honor list, a student must be enrolled in 12 semester hours of courses, excluding pass-fail courses, and have at least a 3.0 grade point average.

Two Medina County students were on the list. They were Alvin Saathoff of Dunlay and Michael Jones of Hondo.

Wright attends meeting

H. R. Wright has just returned from Houston where he was elected a member of

the Federal Land Bank of Houston Stockholder's Committee for a three year term.

TPC Loans increase

Texas Production Credits increased their average loans outstanding by \$41 million in 1971, representing a 12 percent increase over 1970, according to R. W. (Sam) Meyer, Vice president, Uvalde Production Credit.

The 34 Production Credits had an average outstanding balance of \$341 million in 1970. This increased to \$382 million in 1971.

Uvalde Production Credit was among the top five in percentage increase of average loans outstanding during 1971.

Wright was representing the local association at the Annual Stockholders' Meeting of The Federal Land Bank of Houston. The meeting was attended by representatives of 66 Federal Land Bank Associations located throughout Texas.

The Southwest Federal Land Bank Association of Devine makes and services loans in this area. Members of the Board of Directors are H. R. Wright, Walter J. Schulze, Bruce W. Barker, Victor H. Schmidt, and Harold Stiegler.

Cards of thanks

The kindness and sympathy of neighbors and friends in our recent sorrow will always remain with us as a precious memory. Our sincere thanks and gratitude for all those comforting acts. Special thanks to Jourdan Mercy Hospital staff, Father G. Stuebben and Father E. Carolan and St. Vincent de Paul Society. The Family of Esteban Hernandez 3-23-1tc

 My sincere and heartfelt thanks to everyone who responded to the call for help during the fire at my place of business on Friday night. The wonderful response of the members of the Volunteer Fire Department, the city police and many other friends is deeply appreciated. Also my grateful thanks to the young men who spent the remainder of the night in my building to protect my property. Sincerely, Jo Wood 3-23-1tc

 I want to express sincere thanks to everyone for their prayers, visits, cards, flowers and telephone calls while I was in the Santa Rosa Hospital. Special thanks to Father George Stuebben, Father Emmet Carolan and Father Bob Silverman and Rev. A. N. Hanneman for their visits and prayers.

'Karting' weekend proclaimed

There will be Go-Kart action aplenty at the Hondo Airbase on May 27 and 28 and Mayor George Brucks has proclaimed that weekend as South Texas Karting Weekend.

Action will be supplied by the San Antonio Kart Club Inc., through an Enduro Race for members on those two days.

The Club is celebrating its 15th anniversary and these races, involving some 125 club members, are scheduled as an anniversary observance.

Richard Been gets academy assignment

Midshipman first class Richard G. Been of Hondo has been named one of six battalion commanders at the U. S. Naval Academy in Annapolis, Md.

As one of the top ranking midshipmen in the 4300-man Brigade, Midshipman Been will command a 600-man battalion.

The son of Mr. and Mrs. Autry Been of Star Route, the Midshipman is a 1967 graduate of Hondo High School. He majors in Analytical Management at the Academy.

Midshipman Been will serve as battalion commander through May.

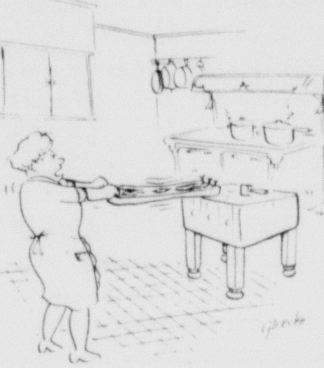

Richard Been

Racing is an activity that gives enjoyment, recreation, pastime and diversion to growing numbers of our citizens, both young and old," Mayor Brucks said in his proclamation.

Study soil survey

Soil scientists of the Soil Conservation Service are meeting this week in Hondo for the review of the final correlation of the Soil Survey of Medina County. Seated left to right are Allen Newman, assistant state soil scientist from Temple; C. L. Girdner, field specialist, soils from Austin; Tommy Yeager, soil correlator for the south region from Fort Worth; Standing — Glenn Dittmar, soil survey party leader from Hondo; Jack Stevens, area soil scientist from Uvalde; and Michael Deike, Medina County soil survey party member. Results of the soil correlation will be used in the preparation of the manuscript of the Medina County Soil Survey Report which will be published in the coming months.

Owls open district play with 6-5 win over Carrizo

The Hondo Owls opened District 28-AA baseball action Tuesday night with a 6-5 win over the Carrizo Springs Wild-

cats in a game highlighted by 10 errors.

The Owls committed three miscues, but Carrizo Springs

errored seven times in helping the Owls to the victory.

Steve Overman picked up the win for Hondo, while Esquivel took the loss for the Wildcats. Fred Bader led the Hondo attack with two hits.

Owls "B" team traveled to Medina Valley Wednesday for a 4:30 p.m. game after their scheduled Monday afternoon game was rained out.

Coach James Bohls also announced a change in the Owl schedule. Bohls said the Mar. 30 game against Medina Valley would be played at Medina Valley rather than Hondo at 4:30 p.m. The teams will then meet in Hondo on April 28th, rather than Medina Valley as previously scheduled. Games time in Hondo will be 7:30 p.m.

WGA meets here

The Hondo Womens' Golf Association met at the Pro Shop on March 6th.

President Evelyn Winkler named the committee chairmen for 1972: Handicaps, Ann Jones; Social, Mildred Huesser and Jane Dugan; Telephone, Kris Chapa; Prizes, Inez Short; Reporter, and Publicity, Frances Windrow.

Discussion included plans

for the Guys and Dolls Tournament to be held on April 16, and rules for the 1972 Riley Tournament.

Mrs. Winkler also announced tentative plans for a 1972 member clinic to be conducted by a hired teaching Pro from SA. Dates will be announced as soon as plans are firm.

Mrs. Bali wins Golf Tourney

Mrs. Mike Bali won first place in the weekly Ladies' Day golf tournament held

March 14. Mrs. Damon Westbrook placed second.

Following the playoffs,

contestants and their guests who included Mrs. Barbara Christopher and Ross Houston, instructor, enjoyed a covered dish luncheon in the Pro Shop lounge.

Little League trials Saturday

Little League trials are set for Saturday 25th at Meyer School.

These trials will be only

for boys of ages 10 through 12. They do not apply to boys who played in the major league last year.

Any boy who played in the minor league last year and wants to move up to the major league may do so if he is ten years old or older.

This applies only to boys who signed up to play in Little League.

ILP Awards

At the 45th annual Inter-scholastic League Press Conference, held in Austin March 19, staff members of MV High PANTHER PRINTS received two Class AA awards.

Charmaine Bippert was awarded third place in feature writing. Second place in editorial writing went to Sheila Scott.

Scouts sell bird houses

Scribe Chris Cole reports that Scouts of Troop 219 are making bird houses. These are to be donated for sale at Museum Day on May 6th.

"If you need a bird house," say the Scouts, "please look over our display and select one. The birds in your neighborhood will be glad you did!"

The Troop spent last weekend on a campout at the Charles Hood Ranch near D' Hanis where we observed conservation, range and wildlife management practices.

Agricultural demonstrations available

By Glenn Bragg

Results of 1971 agricultural demonstrations in Medina County are now available, says County Agricultural Agent Glenn Bragg.

The annual report summarizes all agricultural and agriculturally related demonstrations planned with the Medina County Program Building Committee and conducted by cooperating farmers, ranchers and landowners. Demonstrations are planned each year based on the agricultural problems and long-range objectives of the county program.

Purpose of the crop and livestock demonstration is to provide farmers and ranchers with information by local use and adaptation of the latest technical research findings and recommendations, points

out Bragg.

The 1971 demonstration program consisted of field tests in Ball Moss Control, Corn Precision Planting, Corn Varieties, Grain Sorghum Varieties, Brush Control and Grass Varieties and Soybeans.

Included in this handbook is a chart and information on calculating plant populations for Corn and Grain Sorghum.

Don't buy us because we're number one.

Buy us for the reasons that make us number one.

Anybody can make a truck small. That's not the problem. The secret is building a truck that's just exactly small enough. Big enough to do the job, and then some. Small enough to do it economically. That's what's made the Datsun L11 Hustler America's number one selling small truck. For eleven years, we've been learning about exactly what America wants in a small truck. And we've been delivering it. The Datsun L11 Hustler has an overhead cam engine powerful enough for highway speeds and back road hauling, small enough for maximum economy.

The big six-foot all-steel load bed is just the right size for 9 out of 10 truck owners. The 1,440-pound gross load capacity is perfect for almost everyone's needs, from recreation to heavy labor. What's more, we back up the L11 Hustler with a nationwide computerized parts distribution system and a factory-trained service staff.

Is it any wonder Datsun is America's number one selling small truck?

Visiting Mrs. Regina Burell on Tuesday were Mrs. Ernest C. Braun, Mrs. Hilda Tondre, Red Burell, Francis, Vernon, Homer and Stevie of Castroville.

Mrs. Amy Gray and daughter Kendra visited Mr. Emette Berry. They visited Mrs. Gray's father, Mr. W. B. Melton.

Here In Hondo

Guests of the Rudy Krenmuellers this week were their daughter and family of Covina, California, Mr. and Mrs. Merton (Lois) Anderson and their son and daughter-in-law, M. Roger, Jr., and Karen Anderson. They also visited Mrs. Alta Gooding and other relatives. Their visit was a pleasant surprise, unannounced, as Mrs. Krenmueller had called Lois only a few days before to extend greetings on the Anderson Sr's 28th wedding anniversary and not a word was hinted about the impending visit.
